A SMILE IN

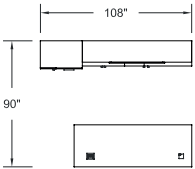

LEVEL COLLECTION

Clean lines, refined quality and contemporary finishes define the Level collection of furniture. Level is an open airy solution to the modern office. At the essence of the Level design concept is to allow people to work in open clean environments with maximum flow of natural light and the convenience of technology.

Configuration LV-C002-1

Level furniture displayed in Coastal Pear and Polar White, High Gloss front finish, Chrome H052 handles and legs. Cyrus chair displayed in White Madras leather.

WORKING BETTER

Working better is possible by utilizing the Logiflex Level options. Filing and storage cabinets are made available with unique storage and filing elements. Sliding tops, hidden drawers, smart wardrobe systems and USB or audio technology integration all contribute to giving you more efficiency, flexibility and ultimately a cleaner work environment.
