Make It Your Own

Let your true colors show! TalkZone features laminate with 2mm edges on the exterior, PET acoustic panels for the interior, and an array of finish options for interior details.

Laminates

Select from our 15 standard laminates, or choose from any standard Wilsonart, Nevamar, Formica, Arborite or Pionite laminates for no extra charge.

PET Acoustic Panels

Made of 100% PET fiber, 50% of which is recycled, the 12mm thick interior acoustic panels are available in 8 standard colors, and 7 additional colors are available at an extended lead time.

Power Options

Standard with 2P2USB Cove power module in three colors: Silver Pearl, Gloss White, and Black.

Glass Door

TalkZone's self-closing door is constructed of 10mm thick clear tempered glass.

Flooring

Carpet is standard in three colors: Iron, Laurel and Flax.

Metal & Edge Finishes

76 Spectone colors from our line of powder epoxy coatings, including five textured finishes. 38 matching 2mm Bio Edge, and 9 woodgrain 2mm PVC edge finishes are also available.
